OpticSlim 1680

plustek

High speed A3

flatbed scanner for your office document!

A3 | **1200 dpi** | **LED light source** | **SEARCHABLE PDF**

The OpticSlim 1680 is compact, fast and also has great image quality. It has 3 seconds scan speed coupled with the ability to scan documents up to 12" x 17".

It is ideal for scanning fragile, delicate, small or important documents, photos and artwork.

These features make it the ideal scanner for corporate offices daily and routine scanning work, the school and library document preserve, government historical document scanning, graphic designers, publishing companies and for those who require high quality large format scanning at a reasonable price.
