

Moderate Duty Small To Medium Offices Office Shredder With Jam Proof & Safesense Technology

Recommended For 1 User

- Next generation shredding offers unmatched productivity and 100% Jam Proof performance
- Intellibar™ responsive technology provides in-use feedback that maximises shredder performance – preventing interruptions by indicating when bin & sheet capacity is nearing the limit, or the run time is close to being reached
- Safesense® Technology offers greater peace of mind in home environments and Sleep Mode automatically powers down the shredder after periods of inactivity
- Micro-cut security shreds each sheet of A4 paper into over 2000 particles (2x12mm P-5)
- 12 sheet shredding capacity and 22 litre pull-out bin
- Shreds several hundred sheets of paper over the 10-minute run time
